The Academy of Forensic Nursing is dedicated to education, research, and advocacy of the forensic nursing practice at the local, national, and international levels. Through newsletters, webinars, virtual bootcamps, and conferences, we reach thousands of healthcare professionals, law enforcement, attorneys, court and judiciary staff, and victim advocates to help them better serve people affected by violence and trauma.

By engaging in the AFN sponsorship opportunities outlined here, you will tap into our engaged audience and align your brand with a trusted and established source of information about the forensic nursing field. We look forward to working with you!
